Finally, we hold performance as a key measure of success, continuously striving for impactful, sustainable solutions. These values have been the backbone of our organization, guiding us on a journey of creating lasting change in the communities we serve.

**About the Programme:** The **Mental Health for Schools (MHFS)** programme aims to make mental health education an integral part of school life. Through interactive workshops, counselling support, and school-wide well-being activities, MHFS equips students and educators with practical tools to understand emotions, manage stress, and build resilience. Implemented by Sangath and supported by KPMG CSR, the programme focuses on breaking stigma, creating safe spaces, and ensuring that conversations about mental health are simple, accessible, and empowering for young people.

**About the Role:** The Visual Communicator will support the programme by documenting project activities and translating them into engaging visual outputs. This role is ideal for an early-career creative who enjoys storytelling through photos, videos, and design, and is excited to work in school and community settings. The candidate will closely work with the programme team to capture on-ground moments and design materials that reflect the project's impact for students, educators, partners, and funders.

## Key

The selected candidate will be responsible for the following:

Activity	Timeline
1. Capture high-resolution photographs of MHFS project activities across 5 school sites in Delhi NCR, ensuring consent, sensitivity, and ethical representation of students and educators.	February week 1
2. Record and edit 1-minute testimonial videos featuring students and teachers.	February week 2-3
3. Shoot and edit a 3-minute video to give the project overview.	February week 3-4
4. Design one student workshop manual, using provided content, ensuring it is visually engaging and impactful for project stakeholders.	March week 1
5. Design one comprehensive project report, including layout, visuals, and basic infographics, using content shared by the programme team.	March week 2

## Essential Criteria

- Basic working knowledge of photography and videography, including camera handling and framing.
- Working proficiency in design and editing tools such as Canva, Adobe InDesign, Illustrator, Premiere Pro, Final Cut, or similar software.
- Ability to translate written content into clear, visually appealing layouts.
- Comfortable working in school or community settings and open to travelling within Delhi NCR.
- Strong attention to detail, openness to feedback, and willingness to learn.
- Sensitivity towards working with children and mental health-related content.
