The [Mental Health for Schools \(MHFS\)](#) programme aims to make mental health education an integral part of school life. Through interactive workshops, counselling support, and school-wide well-being activities, MHFS equips students and educators with practical tools to understand emotions, manage stress, and build resilience. Implemented by Sangath and supported by KPMG CSR, the programme focuses on breaking stigma, creating safe spaces, and ensuring that conversations about mental health are simple, accessible, and empowering for young people.

About the Role

The School Counselor / Facilitator will be responsible for delivering mental health workshops, providing individual counselling to students, and engaging with educators and school leadership to implement the MHFS programme in schools. The role involves facilitating interactive sessions, coordinating mental health activities, and ensuring accurate documentation and reporting.

As part of a highly supportive team, you will receive expert supervision, ongoing training, and mentorship from experienced facilitators and mental health professionals. This position offers an opportunity to create a meaningful impact by improving the emotional well-being and resilience of students.

Key Responsibilities

- Facilitate engaging in-person workshops for students (6th-12th grades).
- Provide one-on-one emotional support to students.
- Document, report, and maintain accurate session records in line with protocols.
- Lead school-wide mental health activities and dissemination campaigns.
- Report progress to the Project Coordinator and intervention teams on a weekly basis.
- Attend regular supervision sessions, team meetings, and training workshops at Sangath.
- Support research, evaluation, and documentation efforts to strengthen programme outcomes.

The above responsibilities are indicative and not exhaustive. Additional tasks may be assigned within the scope of the role.

Essential Criteria

- Bachelor's degree in Psychology, Social Work, or related fields.
- Fluency in Hindi, along with proficiency in English.
- Experience in facilitating online and offline workshops/ awareness sessions.
- Understanding of context and respect towards low-income communities.
- It is desirable if the applicant has previous field work experience in schools/ low-income communities for young people.
- Applicants with Masters/ Post-graduate diploma/ advanced training in mental health or counselling would be preferred.
